HAWB _____

I, _____(name) _____(title)
authorize DHL to prepare a temporary importation entry for the above cited HAWB. The
intended use of this product is: (ex. repair, demo)

We understand the merchandise must be exported within one (1) year of arrival unless an
extension is obtained from US Customs.

It is further understood that we shall coordinate exportation of the merchandise with DHL
Import Department who will file the necessary documentation with US Customs for
cancellation of the TIB.

Should we elect to export the goods with another forwarder/carrier, it is our responsibility
to supply certified export documents directly to US Customs or to DHL Import
Department for filing with US Customs.

If a penalty is incurred from US Customs for failure to close out the TIB by following the
above instructions, it is our responsibility to remit the penalty payment to US Customs.

We are aware of DHL's fee of \$90.00 for this service as well as single transaction bond
costs if applicable.
